Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The present invention is directed to a decoding apparatus to decode coded data and generate decoded image data. The closest prior art is Lawlor (US5353059) who discloses a decoding apparatus that conceals first and second concealment areas. However, he does not disclose concealing different concealment areas based on whether the error is a first or second error wherein the position of the first error can be specified and the position of the second error cannot be specified.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alicia M. Duggins whose telephone number is (571) 272-7376. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Groody can be reached on (571) 272-7950. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
